Subject: Vision Government Solutions Field Inspectors  
Date: March 5, 2026

## **MIDDLETOWN REVALUATION 2026 FIELD INSPECTORS**

Middletown is in the midst of performing a full property revaluation. As part of that effort, Vision Government Solutions has field inspectors out in our community now, assessing properties and gathering information.

The inspectors will be in town working Mondays through Saturdays between 9 am and 5 pm. Each will carry a photo ID badge, a letter of introduction from the Tax Assessor and they and their cars have been registered with the Middletown Police Department.

As part of this process, you are not required to let them into your home or property. Also, Inspectors will not request access to the property without the express permission of someone age 18 or older.

With that said, an interior inspection ensures that your property's characteristics are accurately reflected in the town's records and your property is assessed and taxed fairly.
