Please provide a detailed description of your idea/request below. The Town of Middletown wants to hear from you!

I would love to see more walking trails in Middletown that are stroller and wheelchair accessible. This could be in the form of a public park. A location easily accessible for people, families, young children (babies included which means stroller accessible paths and public bathrooms with changing tables), and seniors. This could be a safe meeting place, open space for running, covered picnic tables, anything to help people be in nature and getting physical activity!

Type Of Project

- Public health
- Economic development
- Educational assistance
- Services to disproportionately impacted Communities
- Housing support
- Infrastructure improvements
- Pay or revenue replacement
- Administrative
- Other

Please check all the boxes above that apply to your ARPA idea/request to the Town of Middletown.

How does this idea/request benefit Middletown? Please provide a detailed answer below.

Increasing access to nature without the need to drive long distances to find it. Bettering the health of the community by providing easy access to exercise. Friendly for ALL AGES! Creates a safe place for community to gather. Could host other community events like farmers markets, educational nature activities, school field trips, outdoor concerts, etc.
